

Port Perry Dance Academy

If most dance studios claim to have qualified, friendly teachers, experience teaching children and a big show at the end of the year, aren't they all pretty much the same? No. Does it really matter which place you decide to enroll at? Yes. There are many features that can make a huge difference in the quality of instruction your child receives, the amount of extra work and hassles the parents must deal with and the overall enjoyment and satisfaction of being involved with a dance program. Here is a checklist that every parent should consider before deciding on a dance studio for their child.
